

Subject: Important: 30-Day Free Trial of Enhanced Storage Protection Begins [Date]

Dear [Tenant Name],

Protecting Your Belongings Just Got Better

At [Facility Name], we're committed to providing a secure environment for your belongings. While we work hard to keep your unit safe, unforeseen events like fires, floods, theft, and pest damage can still happen—and most homeowner's and renter's insurance policies don't properly cover items stored offsite.

Starting [Date], we're introducing the **TPP Secure Protection Program**—a storage-specific protection solution that eliminates the gaps, headaches, and high costs of traditional insurance.

And here's the best part: You're automatically enrolled in a **30-day free trial** of our \$2,000 TPP Secure Protection Plan. Experience real protection designed for self-storage at no cost.

Why TPP Secure Protection Changes the Game

Traditional insurance wasn't built for self-storage, and it shows. High premiums, coverage exclusions, complicated claims, and deductibles that eat into your payout. TPP Secure Protection fixes all of that.

1. Built Exclusively for Self-Storage

Unlike homeowner's or renter's insurance that may exclude or limit offsite storage, TPP Secure Protection is purpose-built to protect your belongings in storage units. No coverage gaps. No fine print surprises.

2. No Deductibles—Full Replacement Value

When you file a claim, TPP Secure pays what it actually costs to replace your items today. Not their depreciated value from years ago. Not minus a deductible. Full replacement cost from dollar one.

3. Your Other Insurance Stays Untouched

Filing a TPP Secure claim won't raise your homeowner's or renter's insurance premiums. These policies remain completely separate and unaffected.

4. Comprehensive Protection

Coverage includes fire, theft, water damage, windstorms, building collapse, explosion, vandalism, and rodent damage (up to \$500). The real threats to storage units are all covered.

5. Fast, Simple Claims Process

Our in-house claims department processes claims quickly—no waiting months for reimbursement. File 24/7 at **TPPClaims.com** with a dedicated U.S.-based support team. TPP Secure has been named the **Inside Self-Storage "Best of Business Tenant Protection Program"** for eight consecutive years because they deliver when it matters.

6. Flexible Coverage at Affordable Rates

- **\$2,000 protection** – Just \$12/month
- **\$3,000 protection** – Just \$15/month
- **\$5,000 protection** – Just \$21/month

Higher coverage limits are available upon request.

7. No Long-Term Commitment

Cancel anytime if you provide proof of alternative insurance coverage. Your protection automatically ends when your rental ends—no hidden charges or hassles.

Your 30-Day Free Trial Starts [Date]

All paying tenants with secured indoor units automatically receive **\$2,000 of TPP Secure Protection coverage at no cost for 30 days** starting [Date]. This free trial is part of our updated lease addendum for "Insurance Obligation and Responsibility."

During your free trial, you're fully protected against covered losses up to \$2,000 according to the terms at **TPPTermsAndConditions.com**—at absolutely no cost to you.

After Your Free Trial: Understanding Your Lease Requirement

Your lease agreement includes an important **Insurance Obligation** clause. This requirement protects both you and the facility by ensuring your stored belongings have adequate coverage.

Here's what you need to know:

Starting [Date] (when your free trial ends), you have two options to satisfy this lease requirement:

Option 1: Continue with TPP Secure Protection (Automatic Enrollment)

If you take no action, you'll automatically continue with the **\$2,000 TPP Secure Protection Plan at \$12/month**. This will be added to your monthly rent as a lease addendum—no signature required. You're meeting your insurance obligation with convenient, affordable coverage specifically designed for storage.

Option 2: Use Your Existing Insurance (Opt-Out Process)

Prefer to use your own homeowner's or renter's insurance? You can opt out if you provide proof of adequate coverage:

1. **Visit MyOwnPolicy.com** (or type <https://myownpolicy.com> into your browser)
2. **Complete** the required fields
3. **Upload** your insurance declaration page showing coverage for stored property
4. **Submit by [Date]** to avoid automatic enrollment charges

Critical Deadline: Opt-out submissions must be completed by **[Date]** to prevent charges on your next invoice.

P.S. Important Lease Language Update

Effective immediately, the following Insurance Obligation clause is incorporated into all leases:

INSURANCE OBLIGATION: The Occupant, at Occupant's expense, shall maintain a fire policy, extended coverage endorsement, burglary, vandalism, and malicious mischief insurance for the actual cash value of the stored property. Insurance on Occupant's property is a material condition of this Lease Agreement and benefits both Occupant and Operator. Failure to carry the required insurance is a breach of this Agreement, and Occupant assumes all risk of loss to stored property that would be covered by such insurance. Occupant expressly agrees that the insurance company providing such insurance shall not be subrogated to any claim of Occupant against the Operator, Operator's agents, or employees for loss of or damage to stored property. The Occupant acknowledges and agrees that the Operator does not carry insurance on Occupant's property either in the storage space or on the facility - for either loss or damage. IN LIEU OF MEETING THIS INSURANCE OBLIGATION, OCCUPANT MAY PARTICIPATE IN THE OCCUPANT PROPERTY PROTECTION PLAN ("Protection Plan") OFFERED BY OPERATOR. IF OCCUPANT DOES NOT PROVIDE THE OPERATOR WITH SUCH PROOF OF INSURANCE WITHIN THIRTY (30) DAYS OF SIGNING THIS AGREEMENT, THE OCCUPANT WILL BE AUTOMATICALLY ENROLLED IN THE OPERATOR'S THIRD-PARTY PROTECTION PROGRAM FOR THE MINIMUM PLAN COVERAGE AVAILABLE. THE OCCUPANT'S MONTHLY RENT SHALL BE INCREASED BY THE AMOUNT OF THE PROTECTION PLAN. THE OCCUPANT CAN CANCEL THE PROTECTION PLAN AT ANY TIME IF OCCUPANT PROVIDES PROOF OF THIRD-PARTY INSURANCE COVERAGE FOR THEIR STORED PROPERTY. THE MINIMUM CHARGE FOR THE PROTECTION PLAN IS ONE (1) MONTH AND WILL NOT BE PRO-RATED. The Occupant understands and agrees that the Operator will retain a portion of the fee paid as a revenue to the Operator for providing the protection plan.
