

Subject: Reminder: Your Free Trial Ends Soon – Action Required by [Date]

Dear [Tenant Name],

Your 30-Day Free TPP Secure Protection Trial Is Almost Over

On the 1st of the month, we sent you important information about our new **TPP Secure Protection Program** and your lease's Insurance Obligation requirement. You've been enjoying **free \$2,000 protection coverage** during your 30-day trial—and that trial period ends on **[Date]**.

This is your 15-day reminder to decide how you'll meet your lease insurance requirement moving forward.

What Happens Next

Starting **[Date]**, your lease requires proof of insurance coverage for your stored property. You have two simple options:

Option 1: Continue with TPP Secure Protection (No Action Required)

If you do nothing, you'll automatically continue with **\$2,000 TPP Secure Protection coverage for just \$12/month** (only \$0.40 per day). This charge will appear on your next invoice dated **[Date]** and will satisfy your lease insurance requirement.

Why tenants choose TPP Secure Protection:

- **Zero deductible** – Full coverage from dollar one
- **Won't affect your personal insurance** – Filing claims doesn't impact homeowner's or renter's premiums
- **Full replacement cost** – Not depreciated value
- **Fast claims processing** – In-house team at TPPClaims.com
- **Need more coverage?** Contact your manager's office anytime to upgrade to \$3,000 (\$15/month) or \$5,000 (\$21/month)

Option 2: Use Your Own Insurance (Action Required by [Date])

Already covered by homeowner's or renter's insurance? You can opt out by following these steps **before [Date]**:

1. **Visit MyOwnPolicy.com** (or type <https://myownpolicy.com> into your browser)
2. **Complete** all required fields

3. **Upload** your full insurance declaration page showing "off-premises" coverage with the expiration date
4. **Receive confirmation** via email (you'll get a notice of "in review," "request," or "approval")
5. **Verify** your opt-out is finalized by the last week of **[Month]** to prevent charges on your upcoming invoice

Alternative submission method: Email your proof of coverage directly to support@myownpolicy.com and we'll assist with your upload. We respond within one business day.

Critical Deadline: [Date]

To avoid automatic enrollment charges, your opt-out submission must be **completed by [Date]**. After this date, the \$12/month charge will appear on your next invoice.

P.S. Lease Insurance Obligation Reminder

As communicated in our first letter, the following Insurance Obligation clause is now part of all leases:

INSURANCE OBLIGATION: The Occupant, at Occupant's expense, shall maintain a fire policy, extended coverage endorsement, burglary, vandalism, and malicious mischief insurance for the actual cash value of the stored property. Insurance on Occupant's property is a material condition of this Lease Agreement and benefits both Occupant and Operator. Failure to carry the required insurance is a breach of this Agreement, and Occupant assumes all risk of loss to stored property that would be covered by such insurance. Occupant expressly agrees that the insurance company providing such insurance shall not be subrogated to any claim of Occupant against the Operator, Operator's agents, or employees for loss of or damage to stored property. The Occupant acknowledges and agrees that the Operator does not carry insurance on Occupant's property either in the storage space or on the facility - for either loss or damage. IN LIEU OF MEETING THIS INSURANCE OBLIGATION, OCCUPANT MAY PARTICIPATE IN THE OCCUPANT PROPERTY PROTECTION PLAN ("Protection Plan") OFFERED BY OPERATOR. If Occupant does not provide the Operator with such proof of insurance within thirty (30) days of signing this Agreement, the Occupant will be automatically enrolled in the Operator's Third-Party Protection Program for the minimum plan coverage available. The Occupant's monthly rent shall be increased by the amount of the Protection Plan. The Occupant can cancel the Protection Plan at any time if Occupant provides proof of third-party insurance coverage for their stored property. The minimum charge for the Protection Plan is one (1) month and will not be pro-rated. The Occupant understands and agrees that the Operator will retain a portion of the fee paid as a revenue to the Operator for providing the protection plan.
