

Subject: Welcome to [Facility Name] – Your Protection Coverage Starts Today

Dear [Tenant Name],

Welcome to [Facility Name]!

We're excited to have you as part of our storage community. Your unit is ready, and we're committed to providing you with a safe, secure storage experience from day one.

As part of your move-in, we want to make sure your belongings are properly protected—and we've made it simple.

Your TPP Secure Protection Coverage Begins Immediately

To give you instant peace of mind and meet your lease insurance requirement, you're automatically enrolled in **TPP Secure Protection at \$12/month** (\$144 annually). Your **\$2,000 protection coverage** is active right now—protecting your belongings from the moment you move in.

Why TPP Secure Protection Works for New Tenants:

1. Zero Deductibles—Coverage from Dollar One

Unlike traditional insurance, you'll never pay out-of-pocket expenses when filing a claim. Protection starts immediately with no deductible to meet first.

2. Won't Impact Your Personal Insurance

TPP Secure Protection is completely separate from your homeowner's or renter's insurance. Filing a claim won't raise your personal insurance premiums or affect your claims history.

3. Affordable Protection at \$0.40 Per Day

At just \$12/month, TPP Secure Protection costs less than most insurance deductibles—and you're covered for the real threats to storage units: fire, theft, water damage, windstorms, vandalism, and more.

4. Full Replacement Cost

TPP Secure pays what it costs to replace your items today—not their depreciated value from years ago.

5. Fast, Simple Claims

File 24/7 at **TPPClaims.com** with a dedicated U.S.-based support team. No waiting months for reimbursements.

6. Built Specifically for Self-Storage

Unlike homeowner's or renter's insurance that may exclude or limit offsite storage, TPP Secure Protection is designed exclusively for storage units with no coverage gaps.

Already Have Your Own Insurance?

If you have homeowner's or renter's insurance that covers your stored property, you can opt out. You have a **10-day grace period** from your move-in date to submit your insurance documentation.

How to Opt Out:

1. **Visit MyOwnPolicy.com** (or type <https://myownpolicy.com> into your browser)
2. **Upload** your insurance declaration page showing "off-premises" or storage coverage with expiration date
3. **Submit within 10 days** of your move-in date
4. **Receive confirmation** via email (we'll notify you of "in review," "request," or "approval" status)

Once approved, TPP Secure Protection charges will be removed from your account and no charges will be applied.

Need help? Email your declaration page directly to support@myownpolicy.com and we'll assist with the upload. We respond within one business day.

What Happens If You Don't Submit Insurance?

No action needed! If we don't hear from you within the 10-day grace period, your TPP Secure Protection coverage remains active at \$12/month. This ensures your belongings stay protected and your lease insurance requirement is met from day one—completely hassle-free.
