

Subject: Welcome to Enhanced Storage Protection at [Facility Name]

Dear [Tenant Name],

A New Chapter for Your Storage Experience Begins!

As [Facility Name] joins the [Company Name] family, we're committed to not only maintaining the service you've come to expect but elevating it with enhanced protection for your stored belongings.

Starting [Date], we're proud to introduce the **TPP Secure Protection Program**—a premium storage protection solution designed specifically for self-storage tenants like you.

Why TPP Secure Protection Changes Everything

Most storage tenants face a frustrating reality: homeowner's and renter's insurance policies often exclude offsite storage, come with high deductibles, and involve complicated claims processes when you need them most. We've partnered with TPP Secure Protection to eliminate these problems entirely.

1. Purpose-Built Protection for Self-Storage

TPP Secure Protection isn't adapted from homeowner's insurance—it's designed exclusively for storage units. That means no coverage gaps, no "offsite storage" exclusions, and no surprises when you file a claim. Your belongings are protected, period.

2. True Replacement Value—No Games, No Deductibles

When you experience a covered loss, TPP Secure pays the year, make, and model to replace your items today - not what they were worth years ago, but today. Not minus a deductible. Full replacement value from dollar one. You get what you need to replace your belongings—nothing less.

3. Comprehensive Coverage You Can Count On

Your protection includes fire, theft, water damage, windstorms, building collapse, explosion, vandalism, and even rodent damage (up to \$500). The events that actually threaten storage units are all covered.

4. Claims Made Simple—24/7 Access

File claims anytime at **TPPClaims.com** with a dedicated U.S.-based support team. No runaround. No endless hold times. Just straightforward service when you need it. TPP Secure has been named the **Inside Self-Storage "Best of Business Tenant Protection Program"** for eight consecutive years because they show up when it matters.

5. No Long-Term Commitments or Hidden Charges

Your TPP Secure Protection automatically ends when your rental ends. Zero hassle, zero surprise fees. Need to cancel? You can do so at any time if you provide proof of alternative insurance coverage.

6. Affordable Monthly Protection

Choose the coverage level that fits your needs:

- **\$2,000 protection** – Just \$12/month
- **\$3,000 protection** – Just \$15/month
- **\$5,000 protection** – Just \$21/month

Unlike homeowner's or renter's insurance, filing a TPP Secure claim won't raise your premiums or affect your other insurance policies.

Special Launch Offer: 30-Day Free Trial

To welcome you to this enhanced protection, **all paying tenants with secured indoor units automatically receive a 30-day free trial** of our \$2,000 protection plan starting **[Date]**. Experience the peace of mind at no cost during this trial period.

After Your Free Trial—Important Information

Lease Insurance Requirement:

Your lease agreement includes an insurance obligation requiring proof of coverage for your stored property. This protects both you and the facility.
