Why PROTEGO Protection Works Better

1. Zero Deductibles

You'll never face out-of-pocket expenses when filing a claim. Coverage starts from dollar one—not after you pay a deductible first.

2. Won't Affect Your Personal Insurance

Filing an PROTEGO claim keeps your homeowner's or renter's insurance completely separate. Your personal insurance premiums won't increase, and your claims history stays clean.

3. Full Replacement Cost—Not Depreciated Value

When you file a claim, PROTEGO pays what it costs to replace your items today. You get full value, not what your belongings were worth years ago minus depreciation.

4. Fast, Simple Claims Process

Our dedicated in-house claims department processes claims quickly. File anytime at **PROTEGOClaims.com** with 24/7 access to a U.S.-based support team. No waiting months for reimbursements.

5. No Long-Term Commitment

Cancel anytime if you obtain alternative insurance coverage. Your protection automatically ends when your rental ends—no hidden fees or complications.

Need More Coverage?

If \$2,000 isn't enough protection for your stored belongings, upgrading is easy:

- **\$3,000 protection** – \$15/month
- **\$5,000 protection** – \$21/month
